CAKE CONTEST WINNERS TO BE NAMED TONIGHT

Support Voted To Court Annex By City Groups

Number Favoring Vote Exceed Opponents At This Time

Additional expressions were registered yesterday on the question of whether or not the board of supervisors should call an election to raise $125,000 in a bond issue to build a courthouse annex, a step necessary if the county is to secure a gift of $43,000 toward the $167,000 project.

The Redwood City City Council, the Redwood City Chamber of Commerce, the Half Moon Bay Lions Club, District Attorney Gilbert Ferrell and members (who have been contacted) of the Peninsula League of Women Voters, expressed approval of the annex vote.

The Redwood City Exchange Club, while unanimously agreeing to the need for the annex, said it would not favor an election at this time because of opposition feared from the northend.

Although no meeting will be held until April 8 at which time official sentiment on the proposed courthouse vote could be sounded, Mrs. Dorothy W. Dole, secretary, reported that all members of the Peninsula League of Women Voters she had contacted were in favor of calling the election.

Ferrell, who returned today from Martinez where he held a conference with bay region district attorneys in Contra Costa's recently built county office building, said he believed the county should hold the election at once to take advantage of the gift offered by the government.

It is only a matter of time until some new building must be built, the attorney pointed out, saying he believed it best to get the structure now with funds offered by the government.

In Contra Costa a tax levy was used to pay for the building, Ferrell pointed out, adding that if a bond issue for an annex is not voted here, it will be only a matter of time until such a step will have to be taken in this county.

The board of supervisors will hold a special meeting at 7:30 o'clock Friday night to consider the question.

LICENSES OF MENLO PARK RUM DEALERS CANCELED

Liquor licenses held by 29 proprietors in and around Menlo Park were canceled by the state board of equalization Wednesday because the establishments were found to be within a mile and a half of the Stanford University campus, the United Press reported from Sacramento.

Twenty-six of the stores were in Menlo Park and vicinity, and three in North Palo Alto.

The cancelation is effective immediately upon receipt of notice from the state board.

Final ruling and announcement of the license cancelation resulted from a supreme court decision and months of investigation.

The ruling was based upon a finding by the supreme court that the sale of liquor within a mile and a half of the campus was barred by law.

Delay in revoking the licenses was caused by the board's desire to determine definitely the campus boundaries.

Proprietors of the places affected contended there was no definite boundary to the extensive campus, and that establishments more than a mile and a half from the administration buildings were exempt.

Board members said the 1935 licenses should not have been issued, since the supreme court decision was handed down in December, but the applications were approved, along with thousands of others, during the December and January rush.

Fees paid for the 29 licenses will be refunded in full.

The board believed the cancelation order would bring to a final showdown the arguments over establishments of "no-liquor" zones around the university.

Some of the proprietors affected by the action were expected to carry their fight to the court.

Cancellation notices were mailed to the following retailers:

Carlo Ferrando (Carlun's Place), Henry Carroll, John Repetto (The Yellow Lantern), Alex Beltramo, P. C. Beltramo, A. J. Kelly, T. H. White (Kelly's Lunch), John Facchino, Louis Armanasco, O. G. French, P. Ottesen.

Gustave C. Schulze, U. R. Iwerks, M. J. McCarthy (Menlo Grocery), Lee R. Auten (Auten's Creamery), Lee R. Auten (Safeway Stores), Jean Hoss, Elizabeth Staples (Staples Fountain Lunch), Sherry Liquor Stores, Aris Hanzad (M & M Restaurant), Frank J. Krauer, Paul Parmaini, E. S. Ishizaki (Cash Saving Food Shop), John J. Doyle, S. Ishizaki (Menlo Fruit Market), William F. Cook (Sea Food Tavern), Italy Family Club.

3 Meet Death On Peninsula Over Weekend

Mrs. James A. Snook, In Husband's Car, Among Victims

Week-end traffic accidents on the pennisula resulted in death for three people, one of them the wife of a prominent state offical.

The dead:

Mrs. James A. Snook, 60, of Burlingame, social registerite, member of a well-known California family and wife of the chief of the state division of parks.

John Thury, 52, of 13 Costa street, San Francisco.

Arthur Lucas, 23, San Francisco truck driver, who lived at 1008 Munich street.

Mrs. Snook was killed Sunday in an automobile accident on the Alviso road near San Jose. She lost control of the automobile she was driving, crashed through a fence and a picket pierced the windshield and impaled her. Her husband, riding beside her, was uninjured. Mrs. Snook, who lived at 2525 Poppy drive, Burlingame, was the former Emma Sweigert of San Jose.

Snook recently drew fire of the board of supervisors when he threatened to halt state projects in the county unless Fire Warden Bert Werder was re-appointed. Werder was re-named to the position this morning.

Private funeral services were to be held in San Carlos this afternoon.

HITS STREET CAR

Thury was killed in a collision between a street car and an automobile at Mission and School streets, Daly City, last night. Five other San Franciscans were critically injured. They are Robert White, 27; Robert Jr., his 2-year-old son, crushed chest and broken leg; Mrs. Gazelle White, 22, mother of the boy, cuts and shock; Mrs. Mary Thury, wife of the dead man, possible internal injuries, and Mathias Race, 50, fractured skull.

FREAK ACCIDENT

Lucas died early Sunday at South San Francisco Hospital as the result of a freak accident at Coyote Point near San Mateo late Saturday night. Lucas plunged headlong through the windshield when the car in which he was riding struck a tree stump. His throat was cut. He died shortly after arrival at the hospital from loss of blood.

When his three companions failed to show up at the hospital, officers investigating the crash became suspicious and took into custody John Azzora, driver of the machine. He was released later pending investigation by the district attorney's office. Lucas had been taken to the hospital by another motorist.

TURNS INTO TRUCK

A. W. Alvinger of the Bayshore Apartments, Burlingame, suffered a possible brain concussion, according to patrolmen, when his automobile was struck by a truck driven by A. J. Beattane, 21, of Hayward.

According to Capt. Paul Perussina, who investigated, Alvinger turned his machine in front of the truck. The injured man's car was shoved some 25 feet down the highway. Beattane, though not to blame for the crash, according to the officer, was cited for driving without a chauffeur's badge.

New Hills Blend Simplifies Work For Housewives

Because of the papularity of coffee in the everage home you would think that every housewife would know how to make a perfect brew—but alas and alack, more than one husband has been heard to remark: "If this is coffee, give me tea—if this is tea, give me coffee," and all because his devoted little wife hasn't exercised good judgment in the selection of her brand of coffee, and then has gone ahead and violated those simple rules that are the "secret" of fine coffee making.

Hills Bros. have developed a blend of coffee so excellent as to meet with universal approval whenever a well brewed cup of this satisfying beverage is served. In addition to being a blend of high grade Central American beans, Hills Bros. coffee is scientifically ground so as to be instantly adaptable to every method of brew.

CHIEF LEADS IN MOBILIZING

Among the first to adopt General Petroleum Corporation's suggestion to Mobilize in 1935 was Chief Homevanteewa (Corn Feather in English), hereditary chief of the northern Arizona Hopis and one of the most noted Indian actors and silversmiths in the West. Jack Wood, General Petroleum operator, looks on in amusement as the Chief insists on giving his own car its first tankful of Mobilgas.

Mayor Asks Observance Of Public Schools Week

With public school week due to start Monday, Mayor Charles G. Lambert today issued the following proclamation:

"The sixteenth annual observance of California Public Schools Week will be held throughout the state this year during the week beginning Monday, April 8.

"All citizens are respectfully urged to co-operate in the observance of the week by visiting classes, attending meetings and otherwise familarizing themselves with the work of our public schools.

"The California Congress of Parents and Teachers, the American Legion, the California Federation of Women's Clubs and numerous other state-wide organizations are lending their full support to the activities of the week.

"Public Schools Week annually affords the parents of pupils and the public generally an opportunity for first hand information on the schools and their work and is an opportunity of which all citizens are urged to take advantage."

(Signed) Charles G. Lambert,
Mayor.

A speech by the dean of the Stanford school of education and Citizens' Night at Sequoia high school will feature Public Schools Week here.

Dean Grayson N. Kefauver will speak April 9 at 8 p. m. at the McKinley school auditorium on "Modern Education."

Citizens' Night at the high school will be April 10. Exhibits of school work will be held and teachers will be in their classrooms to meet parents. The principal, vice-principal and counselors will receive parents in the school office.

Fuzzetti Repudiates Alleged 'Confession'

When Domenico Fuzzetti, 52, goes on trial in superior court here, at a date yet to be set, on charges of murdering his friend, Angelo Chicca, 50, in Pescadero, he will flatly deny implication in the crime, Attorney Joseph Bullock, his counsel, said today.

Sheriff James J. McGrath claims that Fuzzetti confessed bashing in the head of Chicca with an ax, but Bullock revealed that Fuzzetti will maintain the "confession," if there was one, was secured by coercion.

Officers had believed prosecution of the case would be a mere matter of form, but Bullock said today he would fight for vindication of his client on the grounds that someone else was responsible for the brutal murder.

Chicca was killed while lying in his bunk in the shack near Pescadero which he and Fuzzetti occupied.

Fate of Port Funds Up to PWA Leaders

Fate of the $188,000 fund placed in the rivers and harbors bill for Redwood Creek rests with administrators of the $4,880,000 work relief bill, once the measure passes, it was reported today. Administration leaders sought today through a series of high pressure conferences to quell the senate insurgents who are blocking the bill.

Enactment of the bill, the Associated Press reports, will leave up to administrators of the work relief fund the decision as to which, if any, of the many rivers and harbor bills are to be undertaken.

The $188,000 fund will provide for improvement of Redwood Creek to furnish a turning basin 27 feet deep and 1800 by 700 feet from side to side. A 27-foot channel 200 feet wide would be provided from deep water in San Francisco bay.

Cakes in Contest Must be Entered Today 9-11 A.M.

This evening the Old Fashioned Cake Baking Contest will be held at the McKinley school auditorium!

Cakes for the contest must be delivered between 9 and 11 a. m today at the auditorium. Tenderness, lightness, flavor and attractiveness are the four qualities for which cake judges look! These cake "virtues" will determine the winners!

The program, which will start at 7:30 o'clock and precede the actual awarding of prizes to the winners, will include two dance numbers by Girl Scouts and a concert by the SERA orchestra.

Virginia Simpton will do a "Staccatto" polka. The accompanist will be Luis Pamies, of the Sequoia high school orchestra.

The SERA orchestra, under direction of C. L. Greene, former music conductor on National Broadcasting Company programs, will play a popular concert, largely song hits from late musical comedies.

After the actual awarding of prizes will come the sale of the cakes by the able auctioneers, Mayor Charles Lambert and Thomas W. Cutting, the proceeds from the sale going to the Girl Scout council of Sequoia district.

The judge will be Mildred A. Proctor, Sequoia home economics instructor, Bert Nygren, local baker, and Mrs. Thomas W. Cutting, Girl Scout leader.

Bridge Tax Refund Suits Here Unlikely

San Mateo county stands a better chance of combatting any efforts by the two lower bay bridges ot secure a refund in taxes than does Contra Costa, District Attorney Gilbert Ferrell said today, because here the bridges are taxed lightly.

The two bridges paid only slightly more than $8000 a year, Ferrell said. In Contra Costa the two spans contribute more than $39,500 yearly. The Carquinez bridge alone is assessed at more than a million dollars, Ferrell revealed, while the Antioch bridge is assessed at about $250,000.

San Mateo county's half of the $5,000,000 San Mateo bridge is assessed at about $150,000, while the Dumbarton bridge, valued at more than $2,000,000, is assessed at approximately $75,000.

Fear that if the local bridges sued and lost they might have their assessments raised in reprisal by the county may keep them from filing actions even though the bridge company wins in Martinez, it was pointed out.

City Problems Will Be Aired On April 22

C. C. Sets Mass Meet On Airport, Other Developments

A mass meeting of all members of the local chamber of commerce to discuss community problems will be held April 22, it was decided by the board of directors of the chamber at their monthly meeting Tuesday.

The meeting, which will be in the firehouse at 7:30 p. m., will be an open forum to consider problems affecting Redwood City. Non-members interested may attend, according to George McQueen, chairman of the organization committee, or they may submit to the chamber officers here suggestions of problems to be discussed at the meeting.

Three problems that definitely will be discussed are the development of the Redwood City airport; the beautification of entrances to the city, and the extension of Broadway to Bayshore highway, McQueen revealed.

The board of directors voted unanimous approval of the project to construct a courthouse annex and take advantage of the offer of a $43,000 government grant which may otherwise be lost. County Clerk Elmore B. Hinman was appointed by the board to represent the chamber of commerce at the adjourned meeting of the board of supervisors, to be held Friday evening at 7:30 in the board room of the courthouse, when the advisability of calling an election on a bond issue to secure $124,000, which the county must contribute to secure the government grant, will be discussed with delegates from county organizations.

BACK MILLS

Other matters before the chamber included the passing of a resolution urging selection of Mills Field as a suitable site for the proposed international exposition in 1928.

The co-operation of the chamber of commerce was voted to Mrs. John E. Ryan and the Redwood City Humane Society for the presentation of the annual pet parade planned for May 25.

It was decided also to address a letter to Mrs. Edwin Castledine, secretary of the ministerial association, expressing the sentiment that the board of directors was in accord with the ministerial association in desiring the closing of stores on Good Friday, April 19.

LET'S KEEP OUT OF IT

The European war scare is seemingly disappearing. This war talk pops up at intervals to keep the people in turmoil.

It is true all the nations are arming for a conflict, but when this will take place no one can tell. The war is inevitable. It may be years before the clash will occur, but when it does no war in history will be more disastrous or so deadly.

It is to be earnestly hoped that the United States will keep out of European politics and not mix in foreign affairs. Uncle Sam has had his lesson in the last war. Let him profit by the experience.

A rabbit drive near Lodi, Cal., netted 4,500 rabbits in a 40-square mile area.

Game authorities say there are 73 distinct species of hawks in the United States.

Drifting Skiff Mute Sea Tragedy Reminder

A 25-foot red and white skiff, adrift eight miles off Half Moon Bay, was sighted by the steamer Noyo enroute from Fort Bragg to Los Angeles, Saturday. Steamer officials said the boat might have been the mute remainder of a sea tragedy.

Preparations have been made to drain a deep lake on Haute Isle, in the Bay of Fundy, to recover the fabulous treasure of Captain Kidd, believed to be hidden under the waters of the lake.

Local Group Rejects War Protest Strike

The San Mateo County Epworth League Alliance was on record today as refusing to support the proposed student strike, set for April 12, in protest against war. The cabinet declared the movement to be beyond the sphere of the club's jurisdiction.

On that day, however, the local league advocates the use of assemblies to discuss constructive peace programs.

GETS 30-DAY TERM

Geraldine Frazer, arrested by local police on a disturbance of the peace charge, yesterday was sentenced to serve 30 days in jail when she appeared before Judge McAuliffe.

SAN MATEO, Apr. 4.—Work on the widening of San Mateo drive between Bellevue and Poplar avenues, which will take about 30 days, employ some 15 SERA laborers and cost $6,000, will get underway Monday, it was announced today.

1½ MILLION IN TREASURY

Balance in the San Mateo county treasury April 1 was $1,528,218.56, it was revealed today by Treasurer Harry Jenkins when he filed his monthly report with the board of supervisors.

2286 MEALS SERVED

A total of 2286 meals was served 122 prisoners in the county jail last month, the report of Sheriff James J. McGrath, filed with the board of supervisors today, revealed.

MRS. GERMAINE PAYS $20

Failing to secure a sustaining order on her habeas corpus writ, Mrs. William Germain today paid $20 of a fine assessed in Judge McAuliffe's court October 25 and allowed herself to be booked at the county jail, thus "serving" $5 of the $25 fine or five days in jail sentence, imposed for keeping dogs at her Menlo Park home in violation of a county ordinance.
